1. We cannot take responsibility for the payment of any taxation or transport fees incurred as a result of sending your watch to us, either initially or when returned under guarantee
- 2 We require written confirmation before proceeding with any estimated work
3. Any instructions regarding the repair of your watch must be received in written or email form, in order to maintain a record of work requested
4. The guarantee supplied excludes any form of accidental damage or faults caused by misuse
5. The estimate supplied covers the cost of all known work prior to the start of the repair. Any further parts or time required will be be charged additionally. In the instance of additional costs we will contact you prior to going ahead
6. We are covered by a separate insurance policy to return goods up to the value of £30,000. Any additional value is not covered by us and is at your own risk.
